NOTICE TO MEMBERS

Dividend Distribution – Second Payment Available Friday, May 15, 2026

Dear Members,

The Lhoosk'uz Dené Nation Leadership, Chief, and Council are pleased to announce that the Nation will issue a second dividend distribution of \$5,000 per registered member on Friday, May 15, 2026, following the initial distribution in November 2025.

Members 19 years of age and older may claim their cheque in person at the Band Office. If you are unable to collect your cheque yourself, please contact reception or Council to make alternative arrangements. All recipients will be required to verify their identity prior to receiving payment.

For members 18 years of age and under, the Nation will establish a trust account in their name. Dividend funds will be held in trust until they reach the age of 19. Financial literacy training for youth will be provided at a future date to be announced. Members aged 19 and older are also encouraged to participate when training becomes available.

This marks the second dividend distribution from the Blackwater Project now that the mine has entered the production phase. While we remain optimistic about continued success, future distributions cannot be guaranteed.

Sincerely,
Executive Leadership, Chief, and Council
